

Welcome

Niceville High School

Class of 1975

Dear Alumni:

Can you believe it has been 35 years since we graduated, walked across that platform soaking wet from the rain. Well it's been that long and it still seems like yesterday. The following are the activities that we have planned for our reunion. Please note that you can sign up for one or all activities.

Thursday night, July 1<sup>st</sup>, we have planned a glass bottom boat ride on the Southern Star (not the same boat as last time, bigger), the cost is \$29.00 per person and we cruise at 6:00 pm.

Friday night, July 2<sup>nd</sup>, we have a mixer planned at the Bayou Blues Restaurant on Bayshore Drive in Niceville. The Bayou Blues is owned by a local who went to school with us, Joey Taylor, Class of 1974. The cost for this night is \$25.00 per person; this will include a seafood buffet. Joey is closing his restaurant so this will be a private party and we will have the restaurant to ourselves. You may purchase beer and wine from the restaurant, or BYOB as they do not have a liquor license.

Saturday night, July 3<sup>rd</sup>, we will be at the Rocky Bayou Country Club. Bob Mathers is a member there and was able to get us a reduced rate for this night. The cost will be \$20.00 per person for a sit down dinner. We will also have a well known local DJ "Jazzie Jeff" Jeff Weaver is a 1975 graduate. When we called and offered him the opportunity to entertain us or just come as alumni, he said he would be honored to entertain us.

Sunday night July 4, although not part of our reunion, while you are in town there will be a Fireworks show put on this year by the cities of Niceville and Valparaiso.

Thanks to Cee Cee Williams, Sandy Kennedy and Bob Mathers for helping organize this 35<sup>th</sup> reunion. Please share this on your Facebook, MySpace, email and any way we can get this information out to everyone.

Sincerely,

Connie Rich Miller
