

NHS ALL SCHOOL BOOSTER CLUB
Minutes

Monday, October 3, 2011

The meeting of the NHS All School Booster Club was held at Niceville Senior High School. Present were the following:

Jim Evans	Deede Wayne
Cathy Evans	Dave Davis
Shirley McElroy	Robby Robison
Bryan Warren	Ellen Robison
Jill Warren	Donna Haugh
Dean Ward	

President Jim Evans called the meeting to order at 7:06 p.m. and reported souvenir sales have been excellent so far this year. He expressed appreciation to the many volunteers who have helped with programs and souvenirs and stressed the importance of showing new workers how to fill out sales tickets with complete information to assist with inventory control.

Members discussed ways to display a Booster Club logo on the new fence surrounding the souvenir stand and ordering of additional maroon totes and NHS blankets. Proposals for future fundraisers were read and discussed. A school district briefing outlining the need for wireless technology in the schools was presented.

Jim thanked Shirley McElroy for her help selling items for the Taylor Haugen Foundation. Booster Club receives no profit on these items, but sells them at the souvenir stand as a way to contribute to and support the foundation.

NHS students are participating in a contest with Choctaw and FWB high schools collecting canned goods. If you can support this cause, bring canned goods to the attendance office. Food will be donated to Sharing and Caring.

Ellen Robison gave the treasurer's report. The bank balance for the end of September seems low, but while the cost of program publication has been paid, the receipts for the September 30th game had not yet been deposited.

Jim reported he has been using the Booster Club sign at Cedar Avenue to promote the home football games.

Thanks to Jana Ward for the great job she is doing as volunteer coordinator. The reminder emails are greatly appreciated by the members.

Hospitality chair June Garvin will soon be setting the date for the teacher appreciation luncheon in November. Volunteers will be needed to assist with this event.

Ad sale chair Cathy Evans reported only a few ad fees remain outstanding and she needs volunteers to deliver complimentary programs to the advertisers.

Program prize chair Dave Davis reported we have had a good number of prize donations this year and members discussed the idea of including a coupon page in next year's program as an alternative to businesses placing an ad.

The next meeting of the Booster Club will be on Monday, November 7th at 7:00 p.m. in the NHS conference room.

The meeting adjourned at 8:20 p.m.
