Parent University

Positive parenting in raising children from crib to college

Dear community,

You are all cordially invited to attend Parent University at the UWF/FWB campus. Parent University is designed to meet the needs of today's parents. All sessions are FREE and open to parents, grandparents, guardians, teacher, childcare providers, and anyone who cares to children. These workshops will help understand the complexity and development of children from all ages. Guest speakers include doctors and clinicians from our community. Please come out and join us better understand our children.
