Niceville High School's Class of 2008 and the faculty request that all seniors, parents and guests adhere to the guidelines of proper etiquette during the graduation ceremony. The graduation ceremony is a very proud time for all of us. Many years of hard work and effort by our seniors, family members and faculty members are finally being rewarded. Improper behavior such as screams, comments, air horns, etc. can put a damper on such a wonderful event and cause the name of the next person in line not to be heard. Please be courteous and remember to use the proper decorum for this serious, joyous occasion.

The Niceville High School graduation ceremony is an "open" event. A ticket, announcement, or payment of any kind is not required to attend this special evening. However, keep in mind with a class of 538 seniors there will be a very large crowd in attendance.

Listed below are a few tips to assist you.

- *For security reasons, family and friends will **NOT** be allowed in the 600 building. **ONLY** Seniors and NHS staff members are permitted in the 600 building.*
- *Arrive early! All guests should be in their seats by 6:30 p.m. To get the "perfect seat" you will need to be early. The stadium gates will open at 5:30 p.m. If you plan to arrive early, please make sure you do not leave your seats unattended; all personal accessories left unattended will be subject to removal.*
- *Determine in advance which side of the stadium (home/press box side or visitors/baseball field side) your graduate will be seated. This is the side on which you will want to sit. Your graduate will know this information after graduation practice.*
- *Air horns are not permitted and will be confiscated.*
- *Food, beverages or coolers will not be permitted in the stadium. Bottled water will be available for purchase.*
- *The area at the top of the stadium will be roped off at 6:45 p.m. for the graduation procession. After 6:45 p.m. guests will be directed to the exterior of the stadium to travel from one side to the other.*
- *Bring cushions, blankets, and sun glasses for comfort.*
- *Family members and guests are permitted on the field after the closing of the ceremony. Due to the large crowd, you might plan a location somewhere in the stadium to meet your graduate after the ceremony.*

PARKING AND SEATING FOR OUR HANDICAPPED GUESTS

There are several areas available for wheelchair/handicapped guests. One area is located on the press box side of the field, in front of the concession stand. The space is limited, so you will want to arrive early for this location. Parking for this area is located between the 600 building and the stadium entrance.

Another area for our handicapped guests will be on the track of the home/press box side of the stadium. The handicapped guest and ONE caregiver will be permitted in this location. Using the Highway 20 entrance to the stadium (track level), handicapped guests can be driven onto the track and the vehicle can be parked near the flag pole.

The third seating option for handicapped guests will be at the top of the stadium on both the home and visitor's side. Parking for these locations will be the area between the 600 building and stadium entrance for the home side and the field house parking area for the visitor's side.
