	Zoning Waivers have <b>conditional approval</b> by school principals. The conditions for approval are as follows:
	<ol style="list-style-type: none"> <li>1. The child will arrive at school at the appropriate time.</li> <li>2. Attendance will be regular.</li> <li>3. The child will be picked up at the appropriate time.</li> <li>4. The child will adhere to the student code of conduct.</li> <li>5. Students from "Out-of-County" must follow the provisions of Okaloosa County School Board Policy 4-3.</li> <li>6. Parent(s) will participate in regularly scheduled classroom parent activities (conferences, etc)</li> <li>7. Transportation to and from school is the responsibility of the parent(s) / family.</li> <li>8. The Zoning Waiver (MIS Form 4033) must be completed and approved yearly.</li> <li>9. All school requirements regarding emergency contact information and other important data should be accurate and regularly updated as necessary and required by the school.</li> <li>10. In the event that classroom enrollment exceeds Class Size Reduction Amendment limits, then we will implement measures to reduce class sizes. This means that children who live in the "zoned area" will have first priority to remain in their assigned classroom.</li> </ol>
	If excessive violations of the above conditions occur, the Zoning Waiver may be withdrawn by the principal and the family must then enroll in their regularly "zoned" school. Principals will notify parents and counsel them that the waiver may be revoked before the waiver is revoked.
